Re: Precision National Plating Services, Inc. PA-2085

Dear Ms. Baker:

I am writing to confirm that you have assured me that you will forward to me the results of groundwater, surface water, stream sediment, and soil samples gathered by the EPA contractor at the Precision National Plating Services, Inc. site during the week of May 18, 1992.

I am also writing to confirm that, on behalf of Precision National Plating Services, Inc., I have requested the opportunity to review and comment upon the draft report being prepared in connection with the site inspection that occurred during the week of May 18th. You have assured me that Precision National Plating Services, Inc. will have the opportunity to comment upon the draft report before it is finalized.
